*“Our will for conversion is strengthened in the monthly recollection and in the annual retreat. These are occasions of spiritual renewal which Don Bosco considered the fundamental part and synthesis of all the practices of piety.*

*For the community and for every salesian these are privileged moments for listening to the Word of God, discerning his will and purifying our hearts.*

*These times of grace restore to our spirit a deep unity in the Lord Jesus and keep alive in us the expectation of his return.” (Art. 91, Salesian Constitutions)*
